About

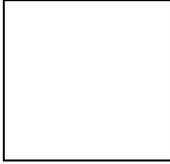

269 words

[] Day Spa started as a small, wellness facility based in City, State. As demand for our services grew, so did our company.

Over the last 10 years, we've built ourselves a network of loyal customers. Our *dedication* to the field of health and wellness, as well as our clients, have made us who we are.

We provide only the best because that is what our clients have come to expect.

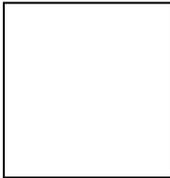

Meet the Team

Patricia Smith is the heart and soul of [] Day Spa. Her *passion*, *dedication*, and *vibrancy* are the driving force behind what we do. Patricia is a licensed Esthetician.

Monica Jensen joined our company in 2007 and we haven't been the same since. She works one-on-one with our clients to provide them with the kind of experience they didn't even know they wanted. Monica is our resident Cosmetologist and Skin Care Specialist.

Becca Morgan has a passion for people and a way of connecting with them on a deeper level. As our Licensed Massage Therapist, she is sure to put you at ease.

Jennifer Regan is our resident Health Coach. She provides the facility, as well as our clients, with relevant, up-to-date health care tips and tricks. Jennifer has a love of all things healthy and stays on top of the latest health news and trends for the sake of our facility and our clients.

Bianca LaRue is the voice you hear on the other end of the phone. She is quick with a smile and keeps our facility running smoothly. Her lively spirit is infectious to all who walk through the doors.
